EL English - #5  
4/2019

Dear Parent or Guardian,

Attached please see important information about your child's *school assignment*. Parents/guardians of children transitioning/completing the SEI Program may choose from any of the elementary schools that are best suited for their children. **All requests will be granted based on availability. *The information you provide on this form will be used in the actual assignment of your child for the 2019-2020 school year.*** Please complete the information below and return this form to your child's teacher by Friday May 10, 2019.

In September 2019, your child will be assigned to grade \_\_\_\_\_ at a school based on available space and sibling(s) preference. You will be notified of this school assignment by the Parent Information Center. You need to report with your child to the new school in September. Placement will be finalized with the results of the ACCESS Language Assessment.

**Please note: Your child is NO LONGER ELIGIBLE for school bus transportation.**

Please indicate below in order of preference (1 to 5) your five (5) choices of schools for your child to continue his/her educational program. A brief description of the Somerville Public Schools is on the reverse side of this form.
